Personal Statement

As an Acc&Fin student at HKU, I've dived deep into investment and finance through internships and projects. I'm known for my integrity, smart decision-making, and readiness to take on responsibility. I'm excited about the opportunity to bring my skills and passion to your team and make a meaningful impact.

Education Background

University of Hong Kong Sept 2022 – June 2026 Hong Kong

- Bachelor of Business Administration (Accounting and Finance)
- **Relevant Coursework**: Financial Modeling, Linear Algebra, Intermediate Micro/Macroeconomics, Management Accounting

Intern Experience

Franklin Templeton (AUM: 1.6 Tn USD) *EME Research Intern* Jun 2025 – Aug 2025 Hong Kong

- Built an Excel model to estimate China's tourism market using **travel elasticity across income quintiles**; sourced and validated data from NBS, Ministry of Culture & Tourism, and corporate NDRs.
- Conducted comparative analysis of Tencent's gaming business across China, Japan, South Korea, and Taiwan, evaluating entertainment (**15%**) and gaming spend as a share of disposable income (**0.67%**) to assess market growth potential.
- Forecasted **8% CAGR** for China's food delivery market by analyzing regional income and consumption trends, and competitive dynamics among JD, Meituan, and Taobao.

CITIC Capital (AUM: 17 Bn USD) *Buyout Intern* Jan 2025 – May 2025 Shanghai

- Conducted **15+ in-depth industry analyses** across tech and consumer sectors, **identifying 7 high-potential investment targets**; 3 advanced to due diligence.
- Produced **20+ investor-ready reports** synthesizing primary/secondary market data, including M&A trends and competitor benchmarking.

Infinity Equity (AUM: 21 Bn CNY) *Investment Intern* Dec 2023 – Aug 2024 Shenzhen

- Focusing area: Semiconductor (Epoxy Plastic Materials, target company had been **acquired** by HHCK Advanced Material 688535.SH).
- Assisted on-site diligence for a target company, analyzing financial statements to uncover **15% revenue overstatement**; revised valuation model influenced a **10% price reduction** in final deal terms.
- Authored a **10-page market sizing report (**adopted by senior leadership) using Wind and Bloomberg data, forecasting 12% CAGR for semiconductor materials through 2027.

Project Experience

Hejun Consulting | Feasibility Analysis of Furniture Capacity Going Overseas

- Analyzed labor cost differentials in Southeast Asia vs. China, identifying **Vietnam** as the optimal relocation hub with **25% lower operational costs** for Zhibang Furniture(603818.SH).
- Delivered a data-driven deck to executives, leading to a pilot expansion plan projected to boost annual revenue by **$8M**.

BDA Consulting | Southeast Asia E-commerce Data Project

- Tracked **3,000+ SKUs** across 2 e-commerce platforms, quantifying a **20% monthly subsidy reduction** that correlated with a 15% drop in merchant retention.
- Visualized findings in Power BI dashboards, enabling client teams to reallocate $2M in subsidies to high-growth product categories.

GSG Technology | ESG Data Project

- Automated extraction of **20+ ESG metrics** from 50+ A/H-share reports using R Studio, cutting manual processing time by 40%.
- Identified **12 non-compliant companies** through quantitative modeling, aiding investors in de-risking $10M+ portfolios.

Teamwork & Leadership

University Business Consulting Club Deputy Chairman for Internal Affairs

- Authored **10+ weekly macroeconomic briefings** with 90% approval from faculty advisors; increased club membership by **35%** through data-driven social media campaigns.

Oliver Wyman Impact Consulting Case Competition Team Leader

- Surveyed **200+ Gen Z respondents** to analyze virtual vs. traditional insurance adoption; recommended a hybrid CX strategy adopted by a top-3 insurer.
